AWS (EC2, S3, IAM, Lambda)

PROJECTS

Donezo – Simple, fast, and effective task tracking.
Task Management Application with Local Storage Integration Productivity App for Efficient Task Tracking Interactive To-Do List with Real-Time Updates Feature-Rich To-Do Application Using JavaScript Dynamic Task Management System with Data Persistence

- **Persistent Data Storage:** Leveraged **localStorage** to preserve task data even after the browser is closed or refreshed.
- **Task Creation & Management:** Users can effortlessly add, mark as completed, or delete tasks with intuitive controls.
- **Interactive UI Design:** Implemented seamless updates with efficient DOM manipulation techniques, including **event delegation** and the .classList.toggle() method for improved performance.
- **Responsive Design:** Ensured a smooth user experience across devices by applying modern layout techniques for flexibility and adaptability.

Interactive Bubble Game
Interactive Web Game with Dynamic UI JavaScript-Based Bubble Popping Game Real-Time Interactive Game with Score Tracking Engaging Web Game Using DOM Manipulation Fast-Paced Number Game with Timer and Scoring System

- Developed a dynamic **bubble-popping game** using **JavaScript** to enhance problem-solving and DOM manipulation skills.
- Implemented a **score system** that tracks points with each correct click, improving user engagement.
- Designed a **countdown timer** feature using setInterval() to create a sense of urgency and challenge.
- Leveraged **event delegation** for efficient bubble click handling, enhancing performance.

EDUCATION

Bachelor of Technology   09/2023 – present
VIT Bhopal University   Bhopal, India

Senior Secondary Education (class 12)   Ranchi, India
Surendranath Centenary School

CERTIFICATES

- Java(Basics) 🔗
- DSA in Java
- Python Essentials
- Fundamentals of AI and ML

HOBBIES

Cricket
Featured in **Newspaper** for outstanding performance in matches, showcasing exceptional cricketing skills many times.

High Intensity Workouts
Passionate about **high-intensity workouts**, incorporating strength training, cardio drills.
